स्वास्थ्य सेवा से आगे बढ़कर जरूरतमंदों की मदद कर रहा है ओमिनी अस्पताल

हैदराबाद (शुभ लाभ ब्यूरो)।

ओमिनी ग्रुप ऑफ हॉस्पिटल्स का मुख्यालय हैदराबाद में स्थित है और इसके कर्मचारियों ने लॉकडाउन के समय में जरूरतमंदों, प्रवासी मजदूरों तथा असहाय लोगों की मदद के लिए कदम आगे बढ़ाये हैं। ओमिनी अस्पतालों के डॉ. मंजूनाथ ने कुकटपट्टी अस्पताल जाने के दौरान एक दिन देखा कि कुछ लोगों को भोजन के लिए संघर्ष करना पड़ रहा है। उन्होंने अस्पताल में अपने सहयोगियों के साथ यह बात साझा की। उसके बाद एक पहल की गयी, जिसमें अस्पताल के सभी कर्मचारियों और ओमिनी के अन्य समूह अस्पतालों ने पड़ोस में जरूरतमंदों को भोजन उपलब्ध कराने की योजना पर काम किया। उन्होंने गरीब परिवारों की पहचान करने के लिए स्थानीय पुलिस की मदद ली और उन गरीब परिवारों को राशन वितरित किया।

साथ ही उन्हें उन प्रवासी मजदूरों के बारे में भी बताया गया, जो पड़ोसी राज्यों और जिलों से हैं। अस्पताल के डॉक्टरों ने लॉकडाउन के दौरान बरती जाने वाली सावधानियों पर उनके लिए एक जागरूकता सत्र का आयोजन किया और उन्हें दिन का भोजन उपलब्ध कराया। ओमिनी हॉस्पिटल्स के ग्रुप सीओओ(मुख्य संचालन अधिकारी) डॉ. नागेश्वर ने कहा, हम हर दिन अस्पताल आते हैं और देखते हैं कि आस-पड़ोस के कुछ लोगों को भोजन पानी ट्वाइलों आदि

की आवश्यकता है। यह हमें उनके बारे में सोचने और उन तक पहुँचने के लिए प्रेरित करता है। इस पहल का नेतृत्व हमारे कर्मचारियों ने किया और हम समाज के प्रति उनकी भावना के लिए उन्हें धन्यवाद देते हैं। अन्य डॉक्टरों ने भी आगे आकर मदद की और हम उनके प्रति भी कृतज्ञ हैं। साथ ही हम पुलिस के भी आभारी हैं, जिन्होंने इस योजना को प्रभावी ढंग से क्रियान्वित करने में हमारी मदद की। इसी तरह के प्रयासों को ओमिनी के अन्य अस्प-

तालों ने नामपल्ली, हैदराबाद और विशाखापत्तनम में योजना बनाई गई थी। कर्मचारियों ने योगदान दिया और जरूरतमंद और गरीबों तक राशन और भोजन आदि पहुंचाने में मदद करने के लिए हाथ बढ़ाया, इससे लॉकडाउन के दौरान अपने राज्य के लोगों के जीवन को आसान बनाने में सहयोग किया। कर्मचारियों ने सभी ओमिनी अस्पतालों में पहल का नेतृत्व किया और पड़ोस के गरीबों और जरूरतमंदों की मदद के लिए आगे बढ़े।

OMNI Hospitals go out of way to support needy amidst COVID-19 lockdown

The OMNI Group of Hospitals of INCOR Group headquartered in Hyderabad and its employees have come forward to help the needy and support personnel in the time of lockdown.

One day while going to the hospital, Dr Manjunath at OMNI Hospitals, Kukatpally saw few people struggling for food. He shared the details of the incident with his colleagues at the hospital and what followed was a movement where all staff of the hospital and other group hospitals of OMNI worked on a plan to feed the needy in the neighbourhood.

They took the help of local police to identify such families and distributed ration to poor families. Also, they were told about migrant workers who were in the neighbourhood living in confined spaces. The doctors at the hospital arranged a session for them on precautions to be taken in the lockdown and gave them food for the day.

Commenting the initiative, Dr Nageswar K, Group COO, [OMNI Hospitals](#) said, “We come to the hospital every day and in the process observed some people in the neighbourhood needed essentials like food, water, medicines etc. That is what made us to think of reaching out to them. The initiative was led by our employees and we thank them profusely for their sentiment towards the society. Our Doctors also came forward and helped and we are profoundly grateful to them as well. Also, we are thankful to the police who helped us executing the plan effectively.”

Similar efforts were planned in other hospitals of OMNI in Nampally, Hyderabad and Visakhapatnam. Employees contributed and reached out to needy and poor to help them with ration, food etc to ease their state in this lockdown. The employees led the initiative in all OMNI Hospitals and stepped forward to help the poor and needy in the neighbourhood.

OMNI Hospitals goes beyond healthcare to provide essentials to people

Hyderabad, April 30th, 2020: The OMNI Group of Hospitals of INCOR Group headquartered in Hyderabad and its employees have stepped forward to help the needy and support personnel in the time of lockdown.

One day while going to the hospital, Dr Manjunath at OMNI Hospitals, Kukatpally saw few people struggling for food. He shared this with his colleagues at the hospital, what followed was a movement where all staff of the hospital and other group hospitals of OMNI worked on a plan to feed the needy in the neighbourhood.

They took the help of local police to identify such families and distributed ration to poor families. Also, they were told about migrant workers who were in the neighbourhood living in confined spaces. The doctors at the hospital arranged a session for them on precautions to be taken in the lockdown and gave them food for the day.

Commenting the initiative, Dr Nageswar K, Group COO, OMNI Hospitals said, "We come to the hospital every day and in the process observed some people in the neighbourhood needed essentials like food, water, medicines etc. That is what made us to think of reaching out to them. The initiative was led by our employees and we thank them profusely for their sentiment towards the society. Our Doctors also came forward and helped and we are profoundly grateful to them as well. Also, we are thankful to the police who helped us executing the plan effectively."

Similar efforts were planned in other hospitals of OMNI in Nampally, Hyderabad and Visakhapatnam. Employees contributed and reached out to needy and poor to help them with ration, food etc to ease their state in this lockdown. The employees led the initiative in all OMNI Hospitals and stepped forward to help the poor and needy in the neighbourhood.

OMNI Hospitals goes beyond healthcare to provide essentials to people

Hyderabad, April 30th, 2020: The OMNI Group of Hospitals of INCOR Group headquartered in Hyderabad and its employees have stepped forward to help the needy and support personnel in the time of lockdown.

One day while going to the hospital, Dr Manjunath at OMNI Hospitals, Kukatpally saw few people struggling for food. He shared this with his colleagues at the hospital, what followed was a movement where all staff of the hospital and other group hospitals of OMNI worked on a plan to feed the needy in the neighbourhood.

They took the help of local police to identify such families and distributed ration to poor families. Also, they were told about migrant workers who were in the neighbourhood living in confined spaces. The doctors at the hospital arranged a session for them on precautions to be taken in the lockdown and gave them food for the day.

Commenting the initiative, Dr Nageswar K, Group COO, OMNI Hospitals said, "We come to the hospital every day and in the process observed some people in the neighbourhood needed essentials like food, water, medicines etc. That is what made us to think of reaching out to them. The initiative was led by our employees and we thank them profusely for their sentiment towards the society. Oud Doctors also came forward and helped and we are profoundly grateful to them as well. Also, we are thankful to the police who helped us executing the plan effectively."

Similar efforts were planned in other hospitals of OMNI in Nampally, Hyderabad and Visakhapatnam. Employees contributed and reached out to needy and poor to help them with ration, food ecto ease their state in this lockdown. The employees led the initiative in all OMNI Hospitals and stepped forward to help the poor and needy in the neighbourhood.

OMNI Hospitals goes beyond healthcare to provide essentials to people

Hyderabad, April 30th, 2020: The OMNI Group of Hospitals of INCOR Group headquartered in Hyderabad and its employees have stepped forward to help the needy and support personnel in the time of lockdown.

One day while going to the hospital, Dr Manjunath at OMNI Hospitals, Kukatpally saw few people struggling for food. He shared this with his colleagues at the hospital, what followed was a movement where all staff of the hospital and other group hospitals of OMNI worked on a plan to feed the needy in the neighbourhood.

They took the help of local police to identify such families and distributed ration to poor families. Also, they were told about migrant workers who were in the neighbourhood living in confined spaces. The doctors at the hospital arranged a session for them on precautions to be taken in the lockdown and gave them food for the day.

Commenting the initiative, Dr Nageswar K, Group COO, OMNI Hospitals said, "We come to the hospital every day and in the process observed some people in the neighbourhood needed essentials like food, water, medicines etc. That is what made us to think of reaching out to them. The initiative was led by our employees and we thank them profusely for their sentiment towards the society. Our Doctors also came forward and helped and we are profoundly grateful to them as well. Also, we are thankful to the police who helped us executing the plan effectively."

Similar efforts were planned in other hospitals of OMNI in Nampally, Hyderabad and Visakhapatnam. Employees contributed and reached out to needy and poor to help them with ration, food etc to ease their state in this lockdown. The employees led the initiative in all OMNI Hospitals and stepped forward to help the poor and needy in the neighbourhood.
